Issue XXI

A Newsletter on Philanthropy and Legacy

September 2009

*Welcome to **Making an Impact** from Impact Wealth Advisors Ltd. We are committed to increasing the impact of philanthropy in our community and are pleased to provide a periodic update of charitable issues and events. Our hope is to make an impact by helping donors match their passions with the visions of non-profits. If you find this newsletter informative, tell us. We can send it to the people you've handpicked!*

## WORDS TO LIVE BY

The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart.

- Helen Keller

**Each quarter we recognize a client or friend of Impact Wealth Advisors and make a contribution of \$250 to their favorite charity.**

This quarter's "Making an Impact Award" honors Burt and Patricia Henry by contributing to 'Healthy Learning Paths', a Broomfield, CO based non-profit. The stated mission of Healthy Learning Paths is "committed to providing educational programs for children, parents, childcare providers, and educators to inspire a love of lifelong learning and a balanced healthy lifestyle that nurtures the whole child." Please visit their website [www.healthylearningpaths.org/index.html](http://www.healthylearningpaths.org/index.html) to learn more and get involved.

Burt & Pat Henry have many passions...especially when it comes to health, nutrition and well being. Burt has a thriving private cycling coaching

practice and Pat keeps busy as a functional nutrition consultant. In fact, the entire family is active in athletic endeavors through all seasons. Son, Brandon, is competitive statewide in Nordic skiing and cycling and plays high school soccer. Daughter, Shannon, plays soccer at her high school and club level as well as swims competitively. The Henry's contribute countless volunteer hours at the kid's school, Peak to Peak Charter School, in Lafayette, CO. Burt & Pat enjoy encouraging people to maximize their independence through living healthy lifestyles. Sustainability is also important to them as they take on organic gardening and participating in Community Supported Agriculture (CSA), a popular way for consumers to buy seasonal food directly from local farmers.

Thank you Burt and Pat for Making an Impact!

Why is lemon juice made with artificial flavor, and dishwashing liquid made with real lemons????

For nearly 25 years Bill Sompayrac has volunteered with RSVP, a local non-profit helping keep seniors and adults with disabilities to be independent and comfortable in their own homes. He has given thousands of hours of time to his community and currently he delivers groceries for RSVP's Carry-Out Caravan. Bill turned 94 years old this July but you wouldn't know it! He says he has strict orders from the doctor to keep doing exactly what he is doing now. His three children, seven grand children and seven great grandkids support his efforts so he can continue to do what he loves. Thank you for all your inspiration Bill! Visit
